

**Goal 8****Evaluate and support regional transportation investments to foster economic opportunities locally and regionally.****Policies**

8-1: Accommodate travel demand to create a regional transportation system supporting a robust local economy.

8-2: Evaluate and analyze effects on freight mobility when prioritizing projects, regionally and locally.

8-3: Support transportation projects which will reduce and remove identified barriers to safe, reliable, and efficient freight movement including adequate roadway space for commercial vehicle deliveries, locally and regionally.

8-4: Support transportation projects which will serve commercial, industrial, and resource-extraction lands where an inadequate transportation network impedes freight-generating development.

8-5: Support a comprehensive and versatile regional transportation interface for the efficient movement of goods and people, both locally and regionally.

**Potential Actions**

- Balance the demand for freight routes with the demands for local circulation.
- Explore the feasibility of developing interurban freight delivery systems.

**Performance Indicators**

- a) Measure employment change in vicinity of projects.
