DATE: April 7, 2015
TO: RVMPO Technical Advisory Committee
FROM: Andrea Napoli, Associate Planner
SUBJECT: RTP/TIP Amendment

The TAC is requested to make recommendations to the Policy Committee on the proposed RTP/TIP amendment described below. The Policy Committee will hold a public hearing at 2:00 p.m. on Tuesday, April 28, 2015 to consider adoption of the proposed TIP and RTP amendments. The 21-day public comment period and public hearing were advertised on April 6 in the Medford Tribune, and similar information is available on the RVMPO website.

Antelope Road Compressed Natural Gas (CNG) Fueling Station

The project proposes to construct a compressed natural gas (CNG) fueling station at a new fueling site located in White City on Antelope Road. The CNG installation will include a compressor, storage tanks, card-lock system, and fuel dispenser. The station will serve multiple fleets, including the general public.

The project was awarded an ODOT CNG grant in the amount of \$682,964 in state CMAQ funds for FFY 2015. The 10.27% match and \$1,452,442 will be provided from the project developer, Shadow Properties, LLC. Total project cost is \$2,213,575.

The RTP and TIP amendments, as well as a project site map, can be found on the following pages.

2013-2038 RTP Amendment #2013-38_08, Add New ODOT Project
