SUBJECT: Jurisdiction Attendance at RVMPO Technical Advisory Committee Meetings

In order to complete essential functions, TAC meetings must have a quorum which includes representation from six of the ten jurisdictions. Recently, there have been meetings lacking a quorum. When there is no quorum the business of the MPO is delayed and the time of the jurisdictions and guests that have shown up is being wasted. Please try to send at least one jurisdiction representative to most TAC meetings; your fellow jurisdictions will appreciate it.

Attendance rates by jurisdiction over the past two years are provided in the bar chart below. Please review on behalf of your jurisdiction.
