Resolution Number 2021 – 03
Rogue Valley Metropolitan Planning Organization - Policy Committee
Adoption of the RVMPO 2021-2045 Regional Transportation Plan

Whereas, the Rogue Valley Council of Governments (RVCOG) has been designated by the State of Oregon as the Metropolitan Planning Organization (MPO) for the greater Medford Urban Area; and

Whereas, the RVCOG has delegated responsibility for MPO policy functions to the RVMPO Policy Committee, a committee of elected officials from Ashland, Eagle Point, Central Point, Jacksonville, Medford, Phoenix, Talent, White City, Jackson County, the Rogue Valley Transportation District and the Oregon Department of Transportation; and

Whereas, a project identification and selection process was carried out through the development of the 2021-2045 Regional Transportation Plan (RTP); and

Whereas, a public involvement process was developed and implemented consistent with the RVMPO Public Participation Plan throughout the development of the RTP and Air Quality Conformity Determination (AQCD); and

Whereas, the MPO, as required by law, held a 30-day public comment period to secure input and comment on the proposed conformity determination and the comments received were explicitly considered; and

Whereas, the 2021-2045 RTP has been shown through this document to meet state and federal air quality requirements; and

Whereas, the improvements contained in the 2021-2045 RTP demonstrate fiscal constraint;

NOW THEREFORE, the Metropolitan Planning Organization Policy Committee approves and adopts the attached 2021-2045 Update for the Regional Transportation Plan

Adopted by the Rogue Valley Metropolitan Planning Organization Policy Committee on this 28th day of September, 2021.

Jim Lewis,
MPO Policy Committee Chair
